

# Asia Pacific Model European Union 2019

## Judging Criteria

### Introduction

Teaching students about the EU and inspiring leadership and further interest in the EU are the primary goals of the Asia Pacific Model European Union 2019. Since students participating in this exercise come from different departments, programmes and universities their varied background and institutional preparation should be taken into account when judging the performance and preparation. These criteria are meant to be a guide for judges, suggestions for things to watch for, and points to begin discussion during the final judges' meeting. They are not intended as a formula for determining awards. (Please refer to judging sheets provided to facilitate this process).

### Judging Process

The judges (academic staff and members of *Corps Consulaire* present during the simulation) and President of European Council will be involved in the judging deliberations. Participants are evaluated on their preparedness, accurate representation of country position, and use of diplomacy including correct use of parliamentary procedure, negotiating skill, and ability to make compromises. Special attention should be paid to the informal negotiations.
